

The Future of ASM Monitoring Starts Here!

ASK-FOR-ARK™

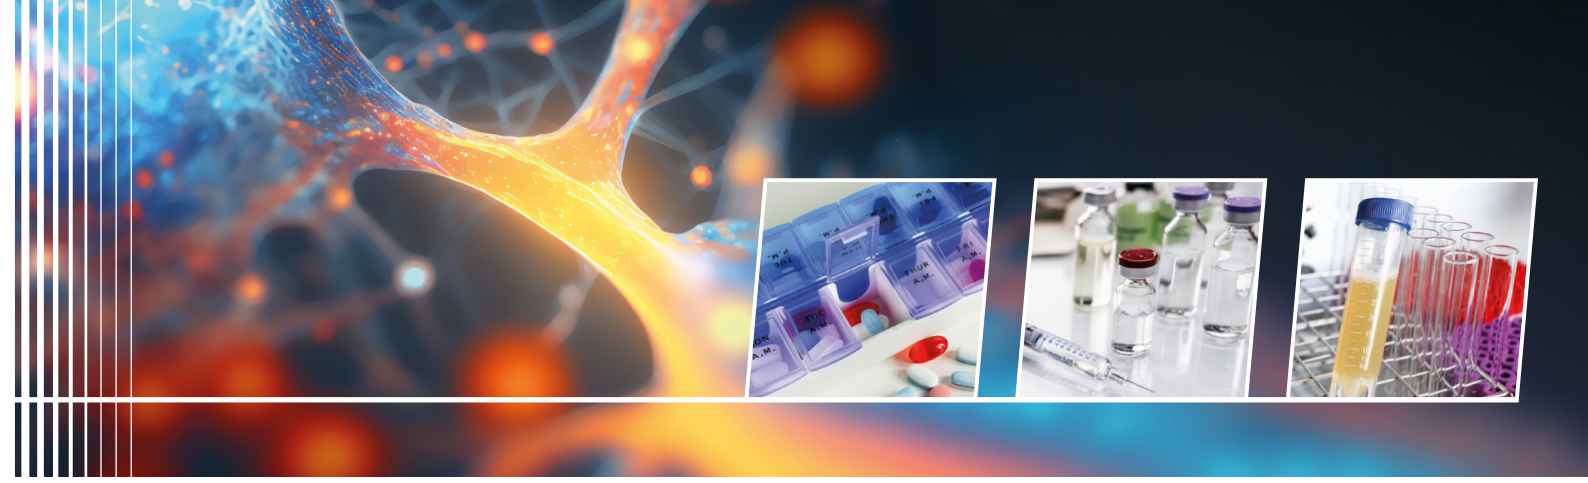

The requirements for TDM in epilepsy have evolved – has your lab kept pace?

The journey towards effective and safe Anti-Seizure Medications (ASMs) starts with precise, timely TDM results—empowering physicians to make informed decisions when it matters most.

Cutting-edge ASM Monitoring – Fast. Accurate. In your own routine lab.

- Available 24/7 – whenever you need quick answers
- Seamless integration into existing routine labs and analyzers
- Shorter turnaround times for faster and more accurate treatment decisions
- Reliable support in critical clinical situations
- Excellent correlation with LC-MS/MS
- Proven performance worldwide in clinical laboratories
- Recommended by leading IVD partners

Why ARK™ is the preferred choice for labs and physicians worldwide

Faster results – when every minute counts

Greater reliability – trustworthy results for critical treatment decisions

Greater efficiency – leverage existing systems—without complex add-on solutions

Greater confidence – proven quality trusted by laboratories worldwide

Product	Assay Range	Product Code
ARK™ Gabapentin Assay	0,75 – 40,0 µg/ml	5025-0001-00
ARK™ Gabapentin Calibrator		5025-0002-00
ARK™ Gabapentin Control		5025-0003-00
ARK™ Lacosamide Assay	0,50 – 24,0 µg/ml	5033-0001-00
ARK™ Lacosamide Calibrator		5033-0002-00
ARK™ Lacosamide Control		5033-0003-00
ARK™ Lamotrigine Assay	0,85 – 40,0 µg/ml	5023-0001-00
ARK™ Lamotrigine Calibrator		5023-0002-00
ARK™ Lamotrigine Control		5023-0003-00
ARK™ Levetiracetam II Assay	2,00 – 100,0 µg/ml	5070-0001-00
		5070-0001-01
ARK™ Levetiracetam II Calibrator		5070-0002-00
ARK™ Levetiracetam II Control		5070-0003-00
ARK™ Oxcarbazepine Metabolite Assay	1,00 – 37,0 µg/ml	5032-0001-00
ARK™ Oxcarbazepine Metabolite Calibrator		5032-0002-00
ARK™ Oxcarbazepine Metabolite Control		5032-0003-00
ARK™ Topiramate Assay	1,50 – 54,0 µg/ml	5015-0001-00
ARK™ Topiramate Calibrator		5015-0002-00
ARK™ Topiramate Control		5015-0003-00
ARK™ Zonisamide Assay	2,00 – 50,0 µg/ml	5022-0001-00
ARK™ Zonisamide Calibrator		5022-0002-00
ARK™ Zonisamide Control		5022-0003-00
